MACARTHUR MINERALS ANNOUNCES PROPOSED EXTENSION OF WARRANT TERM

Macarthur Minerals Limited (TSX-V: MMS) (the “Company” or “Macarthur Minerals”) will be applying to the TSX Venture Exchange for approval to extend the expiry date of 33,408,479 common share purchase warrants that were issued as part of a non-brokered private placement completed by the Company in July/August 2017. The Warrants are exercisable for common shares of Macarthur Minerals at a price of \$0.06 per share which were to expire on February 16, 2018.

The Company is proposing to extend the expiry date of the warrants until 5:00 p.m. Australian Eastern Standard Time on March 29, 2018. All other terms and conditions of the warrants, including the exercise price will remain the same. The proposed extension of the expiry is conditional upon the receipt of Exchange approval.

Caution Regarding Forward Looking Statements

Certain of the statements made and information contained in this press release may constitute forward-looking information and forward-looking statements (collectively, “forward-looking statements”) within the meaning of applicable securities laws. The forward-looking statements in this press release reflect the current expectations, assumptions or beliefs of the Company based upon information currently available to the Company. With respect to forward-looking statements contained in this press release, assumptions have been made regarding, among other things, the timely receipt of required approvals, the reliability of information, including historical mineral resource or mineral reserve estimates, prepared and/or published by third parties that are referenced in this press release or was otherwise relied upon by the Company in preparing this press release. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements

are not guarantees of future performance and no assurance can be given that these expectations will prove to be correct as actual results or developments may differ materially from those projected in the forward-looking statements. Factors that could cause actual results to differ materially from those in forward-looking statements include fluctuations in exchange rates and certain commodity prices, uncertainties related to mineral title in the project, unforeseen technology changes that results in a reduction in iron ore demand or substitution by other metals or materials, the discovery of new large low cost deposits of iron ore, uncertainty in successfully returning the project into full operation, and the general level of global economic activity. Readers are cautioned not to place undue reliance on forward-looking statements due to the inherent uncertainty thereof. Such statements relate to future events and expectations and, as such, involve known and unknown risks and uncertainties. The forward-looking statements contained in this press release are made as of the date of this press release and except as may otherwise be required pursuant to applicable laws, the Company does not assume any obligation to update or revise these forward-looking statements, whether as a result of new information, future events or otherwise.
